# 12 Storey Mixed Use Building – St John NB

Edificio Construction is proud to be delivering the full Mechanical and Electrical scope—including **Electrical, Plumbing, and HVAC systems**—for a prestigious **12-storey mixed-use development** located at **99 King Street in the heart of Saint John, New Brunswick**. This exciting project blends **modern residential living** with **commercial space**, supporting uptown revitalization efforts and bringing renewed energy to one of the city's most iconic streets.

## Our Role & Contributions:

**Complete Mechanical & Electrical Systems:** Edificio is leading the execution of all electrical, plumbing, and HVAC systems—ensuring top-tier quality, performance, and long-term efficiency.

**Value Engineering Leadership:** To support the project's financial goals, Edificio proactively identified and implemented a range of Value Engineering solutions, helping the development stay on budget without compromising quality or functionality.

**Skilled Workforce & Precision Execution:** With skilled and expert tradespeople, coupled with our thorough planning and project management approach, we ensure every detail is executed with precision and efficiency—from rough-ins to final commissioning.

**Sustainability & Efficiency:** Our designs focus on energy efficiency, reliability, and future-ready infrastructure—critical for both commercial tenants and residents alike. With a proven track record in high-rise residential and mixed-use developments, Edificio Construction continues to set the standard in smart building systems integration, cost-effective innovation, and collaborative project delivery.

# Moncton Mosque Project – 224 Killam Drive

Edificio is honored to lead the delivery of the new **Moncton Mosque and Community Centre**—a landmark **turnkey project** that will serve as a vibrant hub for worship, education, and cultural connection in the Greater Moncton area. From the earliest stages, Edificio has played a central role in **bringing the vision to life**, managing every aspect of the development process with precision and care.

## Project Highlights:

**Complete Turnkey Delivery:** Edificio is managing the project from concept to construction, delivering a fully integrated solution for the client.

**Design Development Leadership:** Our team has led the development of the design, including **conceptual planning, architectural renderings, and permit drawings**, ensuring functionality, cultural relevance, and future growth.

**Zoning Success:** Edificio successfully secured a **zoning change from Industrial to Suburban Commercial**—navigating the process in **record time** to keep the project on schedule and aligned with city requirements.

**Current Phase:** The project is now in the **municipal permitting phase**, with full construction slated to **begin this fall**.

This community-driven project reflects Edificio's commitment to delivering spaces that **enhance quality of life** and **respect cultural and functional needs**. By integrating **design expertise, regulatory navigation, and construction planning** under one roof, Edificio ensures a seamless path from vision to reality.

# Safety First, Always

At Edificio Construction, safety is more than a policy—it's a core value that guides every aspect of our operations. We are deeply committed to providing a safe and healthy work environment for our team members, subcontractors, clients, and the public. Our proactive approach ensures that safety is embedded in our planning, execution, and culture across all jobsites.

Edificio enforces a strong, safety-first culture through a range of proactive jobsite measures. These include comprehensive and ongoing safety training for all staff, daily toolbox talks to address site-specific risks, and regular site inspections to ensure compliance and identify potential hazards. Personal protective equipment (PPE) is strictly enforced, and a clear process is in place for incident reporting, investigation, and follow-up. Site supervisors and safety officers play a hands-on role in monitoring conditions and promoting accountability, ensuring that safety remains a top priority at every stage of the project.

We are committed to zero harm and ensuring that every worker returns home safely at the end of the day. Through planning, accountability, and ongoing education, we maintain the highest standards of jobsite safety.
